Under the coaching of Louis J. Moore, the Pewamo Indians finished in fourth place in the Grand Valley Association with a four-win and six-loss record. Regular season play showed a record of eleven wins and ten losses.

After a slow start the first half of the year, we came back strong and made a good tournament showing. For the first time, Pewamo went to the final night of the regionals.

Five members of the team will graduate this year. They are John Heckman, Eddie George, Stan Simon, Mark Schmitt, and Norbert Rademacher.

We would all like to express our thanks to Coach Moore for the fine job of coaching he did.
