

# Annual Summaries of Membership.

## SUGGESTIONS.

**THE OFFICIAL REGISTER.**—Entries of appointments and changes should be made promptly, and should correspond with entries made in the Minutes kept by the Church Clerk.

**THE CHRONOLOGICAL REGISTER.**—Enter all names in the Chronological Register in the order of their dates, giving a Chronological Register number when received, and a Changes Register number when again entering the name on leaving.

**THE ALPHABETICAL REGISTER.**—Names should be entered in the Alphabetical list immediately after the first entry in the Chronological Register. On leaving, the name should not be entered a second time, but simply enter the Changes Register number to the right side of the name previously entered.

**ANNUAL SUMMARIES.**—These should be entered at the close of each year, and must, of course, correspond with the Statistics given in the Church Letter given to the Association. One line of each Summary contains the entire facts for a single year.

**COPIES OF CHURCH LETTERS.**—Before sending the Church Letter to the Association, make an exact copy of the entire letter on the sheet provided at back of the book. If necessary, the body of the letter may be written closer than the ruled lines provide.
