

T-ball donation

The Ionia Parks and Recreation Department received a \$650 check from Meijer Monday to benefit its youth t-ball program. Jackie Ferris from Meijer presented the check to Ionia Parks and Recreation Director Shawn Diebel and to the coaches and players of the Yankees and Cardinals t-ball teams. The t-ball program includes eight teams and involves 73 Ionia-area kids between the ages of four and seven. Diebel said the Meijer check covers the cost of two new sets of t-ball equipment, including new tees and bats, two new catcher sets, 15 helmets and two new bases.
