**SENIOR CLASS**

The Senior Class, under the direction of Mr. L. T. Smith and Mrs. Anna Smith, was in full swing soon after the school year began. The officers and student council representatives were elected, and plans were immediately begun for various activities. Two successful school parties, the publication of the Ionian and graduation plans were undertaken and completed. As graduation neared, all seniors found themselves busy with post graduation plans and began reminiscing about their high school days which were soon to end.
